

## Patriot Plus - 3045

Our Riverwoods lecterns are crafted from the finest solid hardwoods, beautifully finished with a durable multiple-coat clear lacquer to preserve the natural wood and enhance the grain. The built-in 50-watt sound system will deliver your message with clarity & impact. A complete line of custom installed options and accessories is available to tailor the lectern and sound system to your needs. Natural Oak is our standard finish for the Patriot Lectern, other woods are available; please call for pricing. **All models are available without a sound system. Please note, because our Riverwoods collection is custom built, orders are non-cancelable.**

Designed and built to meet the most demanding requirements This beautifully hand crafted Multimedia lectern will add beauty and style to any decor. All of your equipment stays connected, secure, and ready to use on a moments notice. There is ample room for any equipment you might need for your professional presentation.

The Patriot Plus is crafted from natural Oak finished with clear lacquer. It has more features than the regular patriot such as a gooseneck reading light, a drink holder and a drawer. It has 4 sturdy casters (2 locking) and a large shelf with a drop top reading table for a laptop shown below. Fabric comes in red, blue or black.
