SAFETY BUNDLE:

Safety Strobe Megaphone & LED Safety Wand/Megaphone

Our Safety Strobe Megaphone and LED Safety Wand Megaphone are the perfect pairing for your facility!

The lightweight 10 watt **Safety Strobe Megaphone** has a record & play feature and emergency flashing strobe light. Can be heard at up to a 100 yard distance, and is lightweight and portable. Made from durable ABS plastic construction that can hold up to plenty of wear and tear.

Excellent megaphone for Law Enforcement, Police, Fire, SWAT Teams and Traffic Control. Also great to keep in your vehicle for personal safety use.

The **Safety Wand Megaphone** is an excellent tool for public safety and crowd/traffic control, that combines the features of a LED safety wand with a loudspeaker megaphone, increasing your visibility and amplifying your voice within the same unit.

BOTH megaphones perfect for school safety, traffic control, bus patrol and playground announcements - day or night.

Emergency strobe lights

Whistle button, adjustable volume, and battery indicator
