

## Contemporary Color Panel Lecterns

Great looking contemporary solutions for your presentation needs. These 49-in. tall lecterns provide a modern style that will match your current décor. The spacious reading shelf measures 26.75" wide x 16.75" deep providing enough room for your speaker. The high quality MDF wood construction of the base and reading shelf complement the styling of these lecterns anodized aluminum uprights. The sleek, modern look is completed by the formica panels that snap into the aluminum uprights in seconds without the need of tools. The shelf located in the back of these lecterns is an ideal spot to keep a glass of water or laser pointer nearby. You can make each lectern a complete sound system by adding our wired or wireless packages. Or We also offer a selection of wired and wireless 'side-kick' sound systems to complement your lectern. These require no permanent attachments or modifications to the lectern. **\$1,306.00**

## Contemporary Curved Lecterns

A great looking addition to any conference room, lecture hall or meeting place, these stylish models sport a curved front panel and flat rear panel. The spacious reading shelf (26.75-in.W x 17.5-in.D) and sturdy base (26.75-in.W x 17.5-in.D x 47.25-in.H) are made from high quality MDF wood for great looks and long life. The anodized aluminum sides feature a channel that allows the front and rear panels to easily snap-in. Included in the box is an acrylic shelf which mounts to the rear providing you an out of sight place to keep that beverage. You can make each lectern a complete sound system by adding our wired or wireless packages. Or We also offer a selection of wired and wireless 'side-kick' sound systems to complement your lectern. These require no permanent attachments or modifications to the lectern. **\$1,555.00**
