AV AmpliVox Sound Systems

Made in the USA

5/1/23
OUR DECLARATION OF VALUES

Through the challenge of the past year, AmpliVox has endeavored to uphold the values which have guided us for nearly 70 years, and which we continue to pledge for the upcoming year:

- Superior quality products, most designed and build in the USA.
- Constant innovation, including such technology as 96-channel wireless communication,
- Unmatched customer service
- New product development based on the needs of the marketplace, in portable PA systems, lecterns, and multimedia furniture
- Treating people with respect
- Supporting worthy causes in our community and across the nation, including research and treatment of ocular melanoma, breast cancer awareness (AmpliVox Pink Podiums), American Red Cross, YMCA, and many others
- Honoring the beliefs of others

We are humbly proud of many honors and recognitions for our work, including Northbrook Chamber of Commerce Business of the Year.

Sincerely,
Don Roth, CEO, and the entire AmpliVox Staff

ABOUT US

AmpliVox Sound Systems is a leading U.S. manufacturer of portable sound systems, lecterns, and multimedia workstations. Our goal is to provide top quality professional presentation equipment that sets up easily, delivers perfect performance, and stands the test of time for reliability and durability.

Businesses and organizations across the country choose AmpliVox as their portable audio and presentation solution, including these industries:

- Hospitality
- Public and Private Education
- K12
- Colleges & Universities
- Healthcare
- Government / Public Sector
- Public Safety
- Music & Entertainment
- Corporate
- Houses Of Worship

The versatility of our portable public address systems, elegant lecterns and integrated wireless sound systems provide the perfect complement to any presentation, meeting, training seminar, classroom, conference, and other indoor or outdoor event, to help you clearly reach audiences from 10 to 10,000.
WE SUPPORT CAUSES IN THE COMMUNITY

AmpliVox works to strengthen and improve the communities we serve, through innovative programs that channel financial support as well as product and expertise assistance to public service organizations. We care about the world around us, so we have invested in products, people, and services that exemplify that concern. In addition to our hands-on efforts, we also show our dedication to providing care by supporting many causes, events and charities.

AmpliVox Honors Nurses Week with Free Megaphone to Senior Centers
“We enthusiastically salute our nation’s nurses who have done a spectacular job caring for COVID patients and protecting the public,” said AmpliVox CEO Don Roth. “Because seniors have suffered such a disproportionate share of COVID-related problems, we want to do what we can to help senior centers.”

The free megaphone was available to bona fide senior health care centers. The megaphone, AmpliVox Mini-Meg Model S600NR projects strong, clear sound up to 100 yards and to those with hearing impairment. It weighs just two pounds, has a built-in siren and fold-up handle. It works from 4 D cell batteries, providing up to 20 hours of continuous talk time.

AmpliVox Donates Custom Lectern for WGA Evans Scholars Invitational
Conducted by the Western Golf Association (WGA) to benefit the Evans Scholars Foundation, the Evans Scholars Invitational is the proving ground for the next wave of PGA TOUR stars. The WGA conducts championships for professional and amateur golfers, promotes the use of youth caddies and supports the Evans Scholars Foundation’s efforts to award full tuition and housing college scholarships to high-achieving caddies with limited financial means. For the event, AmpliVox CEO Don Roth donated to the Western Golf Association a custom green SN3250 Pinnacle Multimedia Lectern.

On September 4, 2018, Don Roth’s wife Nancy lost her six-year battle with ocular melanoma. This rare disease, which occurs in 2,000 adults each year, currently has no cure in its metastastic form.

In memory of his wife Nancy, Don has been raising funds to help support research and treatment of ocular melanoma.

Please Donate Today!
Donations will go to the Eye Tumor Research Foundation, a nonprofit organization that not only provided tremendous counsel and care to Nancy during her battle, but is also devoted to learn more about eye cancers and tumors in an effort to win the struggle for life and sight.

- Supporting national research into the immunology of how cancerous ocular cells metastasize (spread to other parts of the body)

- Supporting local research on the prevention and treatment ocular oncology under the direction of Dr. Bruce Brockstein at Northshore Health System in the Chicago area.

Through these efforts, it is hoped to relieve the suffering — and prevent premature deaths — of current and future eye cancer patients. Your generous donations are greatly appreciated.

“Pink Podium Promise” Promotes Breast Cancer Awareness
All over the country, breast cancer fundraisers and educational events have featured lecterns in the signature pink color of breast cancer awareness. These podiums are made available by a cause marketing donation program from AmpliVox Sound Systems, which delivers durable all-weather podiums free of charge to local breast cancer organizations.

The Pink Podium Promise, launched in 2010, has placed lecterns with over 200 groups, including national fundraising and research groups, American Cancer Society chapters, foundations, hospitals, and local governments.

Dr. Carol Shields and her staff at the Eye Tumor Research Foundation where 100% of your Donations on Nancy’s behalf are used for eye cancer research
AMPLIVOX IS PROUD...
We are proud to uphold a very high standard of service and pride in our products. Here are some of the awards we have been fortunate to receive in recent years

American Security Today has named AmpliVox Sound Systems as a finalist in the 2020 Homeland Security Awards. The Annual ‘ASTORS’ Awards Program is the preeminent U.S. Homeland Security Awards Program, specifically designed to honor distinguished government and vendor solutions that deliver enhanced value, benefit and intelligence to end users in a variety of government, homeland security and public safety vertical markets. AmpliVox has been a recognized Winner in the 2018, 2017 and 2016 ‘ASTORS’ Awards Programs. This year, AmpliVox is proud to announce that our MEGA HAILER SOUND PACKAGES were selected as a finalist in the 2020 ‘ASTORS’ Awards Program.

Christian School Products (CSP) is a magazine for school administrators to find purchasing solutions for Christian schools and services. The Top Products 2020 list reflects the “best of the best”, and AmpliVox’s recently launched SAFETY SHIELDS FOR LECTERNS made the cut of top products.

AmpliVox Sound Systems is pleased to announce that its new DIGITAL SIGNAGE LECTERN was chosen as a 2020 Innovation Product Award winner by the readers of Sound & Video Contractor (SVC), a leading American business publication read by tens of thousands of commercial audiovisual systems integrators and installers.

PINNACLE WOOD PRODUCTS
Pinnacle Wood Products joined the AmpliVox team in January, 2019, bringing more than 20 years of experience in cabinet building and wood working as a new division of AmpliVox Sound Systems. Pinnacle Wood division produces high quality lecterns and rack cabinets made in the USA at our Chicagoland factory. Since becoming part of AmpliVox, Pinnacle has invested in new equipment to improve shop efficiency and enhance product quality. The new equipment includes:

- Edgebander – an automated system for applying edge trip to cabinets
- AutoCAD (computer aided design) software, to enhance cabinet design
- CNC (Computer Numerical Control) equipment that enables computerized control of wood routing for more precise and high-quality finished products

Pinnacle’s high-end capabilities ensure AmpliVox customers Made in the USA-quality lecterns, podiums, and multimedia furniture, with ready availability.

AMPLIVOX PA SYSTEMS

Public address systems play a key role when communicating with a group or hosting an event. Amplify your voice and music effortlessly throughout your venue while clearly being heard by all in attendance. For your school, business, or organization, our portable sound systems are versatile and offer a variety of multimedia options: Wireless devices, iPod/iPhone, MP3 Players, CD players/recorders, projectors, computers, or even musical instruments such as a guitar and bass.

AMPLIVOX HALF-MILE HAILERS

AmpliVox Half-Mile Hailer public address systems are a valuable tool for law enforcement and other emergency responders with its powerful audio amplifier that can project sound up to half a mile away.

The Half-Mile Hailer was instrumental in ending several SWAT standoffs and saving lives, allowing officers to communicate effectively with the perpetrator and ultimately leading to a successful outcome of de-escalating the situation and persuading the aggressor to surrender.

Communication is key in tense and emergency situations and it is imperative that your voice and message is communicated above the noise. Only through using the Half-Mile Hailer did the Crisis Negotiation Unit find success in ending the standoff and bringing safety back to the neighborhood.

OUR MEGAPHONES

are always being seen! From around town, to national rallies and protests, even our favorite tv shows, you will always see an AmpliVox Megaphone around! Ours are the most reliable and highest quality, so you can know your voice is being extended and amplified in any crowd or environment.

AMPLIVOX DONATES TO THE NATIONAL OVARIAN CANCER COALITION (NOCC) ILLINOIS CHAPTER 22ND ANNUAL RUN WALK

AmpliVox has joined the effort to save lives and support the fight against ovarian cancer by donating a custom made Pinnacle Multimedia Lectern that was used for the event.

The custom Pinnacle Multimedia Lectern was created in the NOCC teal color, personalized with the organization's logo on the front panel for a truly memorable presence on stage.

Control, convenience and full, rich sound—the AmpliVox TITAN has it all!

The SW800 Titan Wireless Portable PA System has been upgraded with a built-in wireless module that allows a user to stream music wirelessly from any capable audio device. The wireless capability can transmit audio music from your iPad, iPhone, or any other enabled device such as a smart phone, PC or laptop computer.

Equipped with a powerful 100 watt amplifier, with your choice of wireless microphone, wired handheld mic, and a luggage handle with wheels.

The built-in microphone storage keeps everything organized and together in a neat little package.

- 100 watt amplifier
- Digital UHF 16 channel wireless microphone receiver
- 8” bass speaker and 4” tweeter with separate speaker volume, bass and treble controls
- Rechargeable battery runs for up to 10 hours on single charge
- Rolls easily on built-in wheels
- Comfort grip locking, telescoping luggage handle
- Impact resistant polymer enclosure for durability
- Tripod mount

WHAT CUSTOMERS ARE SAYING:

“The Titan Portable PA has given my fitness instruction an amazing boost!”

“The Titan PA helps us reach broad audiences for our fundraising efforts.”

“Astonishing sound quality and tremendous reliability”
The AmpliVox Titan Portable Wireless PA SW800 is “Brilliantly Blue” because it has a colorful blue back panel that shows off its full range of extensive capabilities; but it’s also blue because it’s now proudly made in the USA, resulting in greater innovation and quality.

“The Titan was made for ten years at an offshore location,” said AmpliVox CEO Don Roth. “We brought its manufacturing back to the U.S. in order to focus on upgrades such as improving from 16 to 96-channel wireless capability for interference-free sound. We also now have greater leverage on the product’s quality control, enabling us to extend the warranty from one to three years. The Titan joins our growing array of made-in-the-USA PA systems, lecterns, and multimedia furniture.”
SW925 DIGITAL AUDIO TRAVEL PARTNER PLUS

- Reach up to 7,500 people—in doors or out!
- Powerful 250 watt amplifier delivers quality sound in areas up to 25,000 square feet.
- Travels and sets up easily with tripod mount plus retractable handle and wheels.
- Specially tooled and molded plastic enclosure for exceptional durability.
- Stream audio wirelessly from your smart phone, tablet, or any other enabled device.
- Reverb echo effect.
- Mute and talk-over functions.
- Voice priority feature which automatically reduces the volume of the music when you speak into the mic.
- 16 channel UHF wireless microphone receiver from 514-544 MHz.
- Choice of wireless mic—Handheld, Lapel and Headset or Flesh tone Single-Ear Mic.
- AC power cord and rechargeable batteries for up to 10 hours run time.
- Lightweight Design, 35 lb weight, Luggage Handle & Wheels Make it Easy To Move.
- Ideal for Indoor and Outdoor Presentations.

“I just got my portable buddy today and must tell you guys at AmpliVox that this is by far the best PA I have ever used in the past 21 years of being an entertainer... This system has made my life so much easier.”

Todd McKinney, Hewitt, TX - Magician

“I have loved my new portable wireless sound system purchased from AmpliVox. The company has great products and the staff are really easy to work with!”

Gabriel Castillo, Belvidere Park District
MEGA HAILER & AIRVOX

Wireless, Battery Powered, Indoor and Outdoor Portable PA Systems

The AmpliVox Mega Hailer Mobile PA System is a 50-watt, totally wireless, highly intelligible, lightweight battery powered loudspeaker system for general PA applications in areas that are not equipped with a PA. The horizontally aligned horn broadcasts crystal clear voice announcements and reinforces sound to make it louder to audiences over large wide areas. During emergencies, the battery powered design sets up quickly and allows you to broadcast emergency information even during power outages.

- Reach up to 3,000 people (5,000 with companion speaker), up to a half mile away, with our powerful 50W amp
- Heavy-duty construction for use indoors or outdoors
- Exceptional speech intelligibility
- Produces consistent tonal balance with less volume drop-off over longer distances
- Built-in carry handle and detachable shoulder strap
- Built-in USB charger for charging smartphones and tablets

GREAT FOR
MEETING & CONFERENCE ROOMS
Schools
LECTURE HALLS

Customer Testimonial:
“The half mile hailer works great. I do tailgate auctions and set the pa 40 to 50 feet from the auctioneers stand. The buyers love the clarity, it produces plan to purchase another one in the near future. Thanks very much for producing a quality product in the U.S.A.”
VEHICLE PAs

Take your message on the road, projecting your voice and music from your car, truck, boat, or other vehicle. The horn PA systems securely mount to the roof of your vehicle with straps and suction cups. Quick to install and setup in four easy steps, the car PA systems are simple to use yet powerful in design.

Loudspeaker systems feature a wired or wireless microphone as well as options to project audio from your iPod, CD player, or other audio devices. Weather resistant. Be clearly heard up to a Half-Mile range nearly nine football fields away.

312/314 SERIES SOUND CRUISER VEHICLE PA

Take your message on the road with the Sound Cruiser PA System, the best in Battery Powered Car Audio PA Systems. This horn mounts to the roof of your car with straps and suction cups. DC Adapter plugs into car cigarette lighter or attaches to any battery. Great for Parades, Fire and Rescue, EMS, & Police. Installed on cars, trucks, construction equipment, firing ranges, golf carts, camp buildings, boats & more.

- 312 series has 2 horn speakers, 314 Series has 4 horn speakers.
- 50 watt amplifier and with built-in wireless microphone receiver (SW312/SW314)
- Equip any car, truck, bus or boat for voice-casting in minutes

SL1002 ...................................................... $41

* Boombox colors may vary
HORN SPEAKERS

Made of durable, weatherproof ABS plastic that will not corrode outdoors and can withstand the outside elements better than the cone type speaker, making the horn speaker popular for outdoor PA use. They are far more efficient, you receive more sound volume at a lower wattage, which also reduces both the size and power requirements of your amplifier.

Horn speakers can be best described as “bright” in their sound. The higher frequencies are reproduced very clearly with virtually no bass. The limited frequency response is one reason they are so efficient, they don’t waste energy reproducing bass frequencies. The speakers can also project farther without getting “muddy”. The end result is better intelligibility at longer distances.

---

AMPLIVOX MULTIMEDIA PRESENTATION FURNITURE

Multimedia lecterns/podiums will greatly aid your presentation needs by keeping all of your technology and presentation tools organized and available at your fingertips. They provide you with a working platform to do a complete computer based presentation, with space to store a CPU, laptop, projector, and even a sound system. Executive and contemporary presentation lecterns support the integration of multimedia and audio visual equipment for classrooms, conferences and auditoriums.

Multimedia lecterns/podiums are ideal for anyone who uses audio visual equipment with their presentations and speeches on a regular basis. They make all your presentation equipment easily accessible and organized, as well as giving you a secure location to store your equipment. Our multimedia lecterns have four casters that provide easy maneuverability, and two of these casters lock in place for secure positioning during use.

AmpliVox not only makes great sound systems, we also put you in command of a multitude of presentation options, shapes, sizes and finishes. Visit our web site or contact us today to discuss your custom order!

We offer a wide variety of multimedia lecterns for all your presentation needs!

We also offer a wide variety of customization options, including:

- Dual Incandescent Lamp
- Rack Rails for Component Installation
- Clock Timer Panel
- Rack rails - standard 10u, 12u, and 20u sizes
- Reccessed Viewport Monitor Window
- Configure To Your Equipment
- External Pullout Shelf
- Fixed Keyboard Shelf
- Cooling Fan with Grill
- Extra Shelves
- Pullout Shelves and Drawers
- Locking Cabinet Doors
- Available Rack Rails for Component Installation
- Custom Lighting
- Keyboard Shelves

We will work with you to build the perfect customized Multimedia Lectern Solution!
SV450, SV3097 DIGITAL SIGNAGE LECTERNS

• Ideal for digital messaging and signage applications - an excellent way to display your branding or informational graphics to your audience.
• Great for meetings, conference rooms, auditoriums, retail advertising, corporate messaging and any other public messaging needs
• A modern and contemporary design with a thin 45mm depth and improved visual aesthetics allow for the smooth and stylish integration of these displays into two of our popular lectern styles
• 43" screen with ultra-thin high-resolution full HD display for clear, large, bright images
• Its thin bezel and super slim design perfectly complement today’s modern surroundings, while multiple display inputs support flexibility and freedom
• Monitor can be easily controlled by a laptop
• Connect to your house system and control the monitor through your own system
• Full HD 43” LED Edge-lit display
• Connectivity is located on both the bottom and side allow for easy access
• LED and ambient light sensor design. Auto dimming of the LED backlights
• Display holds current date and time as well as up to 30 different programming schedules, including Holiday Mode
• Key Guide function allows for easier navigation when manually controlling the unit
• Slim 45mm of total depth
• Native Resolution: 1920 x 1080

You will find an Amplivox sound system, lectern or podium to meet the needs of just about any audience and presenter. Whether you are in a small meeting room with 10 people or in a 30,000 square foot auditorium with an audience of 10,000 people, Amplivox Sound Systems' extensive selection of superior quality, easy to operate, reliable electronics and stylish lecterns and podiums will get your message out with rich, crystal clear sound. All lecterns also available in non-sound option as well.

**Women in Business Networking Luncheon: Feeding America**

Amplivox Sound Systems, a long supporter of local and national charities, recently participated in a Northbrook Chamber of Commerce Women in Business Networking Luncheon.

Developing new and lasting relationships is critical to the success of every business. The Northbrook Chamber of Commerce offers a wide array of networking events, both structured and informal, to help make connections for success.

Amplivox donated the use of an Amplivox SW925 portable sound system for the outdoor luncheon, as it has done for other Chamber of Commerce events.

Amplivox's contribution to the NSYMCA latest Shuttle Bus helps provide handicap accessible transportation for youth, adults, seniors and individuals with disabilities.

The Shuttle bus has been decorated with a tribute to give in the memory of Nancy Roth, wife of Amplivox CEO Don Roth, who lost her six-year battle with ocular melanoma.

“We have been nothing but pleased with the results!”

*Ben Sowle - RW Troxell*

**SN3900 ADA COMPLIANT LECTERN**

A stylish yet functional approach to ADA compliance

- Moves smoothly and quietly from seated (31”) to full-standing height (41”) allowing the same lectern to be used for all presenters
- A conveniently located rocker switch allows movement over a 10 inch range, adjusting from an ADA-compliant height to a conventional standard lectern height
- A spacious work surface provides space for monitors, laptops, notebooks, and other presentation materials
- Seated presenters will appreciate the ease of entry and exit afforded by the oversized access area
- Features 3” locking swivel casters.
- Service access to the motor and limit switches can be serviced through removal of an access panel
- Available Options include: Custom work surface cutouts, Task light, Digital clock, power outlet, Cable port
- **46” W x 38-46” H x 30” D**

**SN3910 CONTEMPORARY ADA LECTERN**

A compact yet versatile ADA Compliant Lectern

- Adjusts from an ADA compliant sitting height of 28 inches up to a maximum standing height of 48 inches
- Wheelchair bound presenters will appreciate the wide access area which allows for easy entry and exit
- The range of height adjustment also makes this an ideal “sit-to-stand” desk, suitable for all heights
- Silent lift mechanism with push button activation allows for fast and easy 20 inches of height adjustment and powered by a rechargeable battery pack

FITNESS & AQUATIC SOUND PACKAGES

Designed for the demanding needs of the fitness industry and active professional, these packages combine the AmpliVox Mega Hailer PA system with a wireless headset microphone and various options to provide the user with maximum acoustic power, flexibility of use, and freedom of movement. The new Fitness and Aquatic Packages make the Mega Hailer even more useful for the health and fitness market, as well as any meeting or event needing expanded sound coverage.

The Mega Hailer PA System has a built-in 50-watt amplifier and built-in speaker, with exceptional speech intelligibility and tonal balance, and expanded coverage over longer distances. It has a built-in 96-channel wireless receiver for our best-ever sound coverage, plus a wireless module for connectivity to any enabled device. Its rechargeable SLA batteries provide up to 10 hours of operation. It can be mounted on a tripod for even greater sound dispersion.

These versatile sound packages include everything you need to project strong, clear sound for fitness classes, and any indoor or outdoor mobile event or meeting!

NEW!

All Fitness Packages Include the Mega Hailer PA System

These versatile packages are great for fitness classes, aquatics, sports, crowd control, and any large indoor or outdoor gathering!

Made in the USA

62
WIRELESS MICS AND MIC KITS

A wireless microphone system is essentially a microphone radio transmitter and a receiver. Transmitters can be built into handheld microphones or in a body pack transmitter to be used with lapel or headset microphone. Receivers accept signals from the transmitter and are plugged into any mixing console, amplifier, or other device such as a PC/computer or camcorder with a line level input.

SOFTWARE CASES

www.ampli.com | info@ampli.com | (800) 267-5486

Made in the USA
**LIGHTS**

Easily illuminate the reading surface of any lectern with our adjustable reading lamps - a must have when dimming the lights of the room is necessary, such as when giving a multimedia presentation. Turn the lights down low and have the lectern lamp light up your notes for great visibility.

**LED LECTERN LIGHT**

Twelve bright white, energy efficient LED’s. Flexible 9” long gooseneck. Each LED lasts 100,000 hrs. One switch turns on all LED’s. Battery powered - 3 AAA batteries (not included).

$1180 ........................................... $27

**LED CORDLESS CLIP-ON LECTERN / MUSIC STAND LIGHT**

This multi-purpose 8” clip-on cordless light uses the latest LED technology components. The 9 LED lights consume very little battery power while providing natural-colored illumination. Choose between two brightness levels.

$1150 ........................................... $191

**CABLES**

Come prepared with all the necessary extensions and cables needed. We offer a wide variety, to assure you don’t come short when you need to get plugged in.

**CONDENSER MIC EXTENSION CABLE**

Twelve Foot Condenser Extension Cable. Female 1/8” (3.5mm) to Male 1/8” (3.5mm). Extension cable only—does not connect directly to Mic.

$1750 ..................$25.00

**DYNAMIC MIC CABLE**

Twenty five foot extension cable for your microphone. Female 1/4” to Male 1/4”. Extension cable only—does not connect directly to Mic.

$1720 ..................$117.00

**EXTENSION SPEAKER CABLE**

40’ Ext. cable for any speaker male/female. Female 1/4” to male 1/4”.

$1780 ..................$77.00

**TIMERS**

Being aware of your time during your speech can make a presentation much easier to manage. Keep everything on schedule with a handy digital clock timer nearby. They easily fit on any lectern and take up very little space.

**DIGITAL CLOCK/TIMER**

Electronic display, counts down then up, programmable alarm.

$1320 ..................$126.00

**CLIP-ON DUAL GOOSENECK LED LIGHT**

Four different light level options. Two flexible 9” long goosenecks. Each LED lasts 100,000 hrs. Switches on each to turn on just or both LED’s. Battery powered - 3 AAA batteries (not included).

S1132 ............................ $52

**USB LED LIGHT**

A great convenience for lectern users in dimly lit rooms; it adds a bright LED lectern reading light, plugging into a USB port.

S1103 ............................ $68

**NOTE:** S1453 USB dock is required to use this item (see next page for details)

PRESERVING THE WORLD’S NATURAL RESOURCES

AmpliVox is committed to preserving the world’s natural resources. We all know that natural resources are limited and fragile. Environmental protection is everyone’s responsibility at AmpliVox. This policy addresses operations which can positively impact the environment.

AMPLIVOX PLEDGES TO
• Use “Forest Friendly” products. Our Lecterns and Podiums are produced using recovered and recycled post-industrial wood residues. This solid chain-of-custody wood fiber supply practices have helped AmpliVox to secure the Forest Stewardship Council (FSC) Mixed Sources accreditation (SW-COC-003089).
• Reduce the waste arising from electrical and electronic equipment and to improve the environmental performance of all items involved in the life cycle of these products. We comply with the WEEE Directive (2002/96/EC).
• Continually improve environmental management policies, programs and performance, based on the results of our periodic reviews and taking into account regularity developments, customer needs, technical developments, scientific understanding and community expectations.
• Reduce and eliminate waste through recycling and disposal of waste through safer and responsible methods.
• Promote employee awareness of environmental concerns, actions and responsibilities.

ALL AMPLIVOX PRODUCTS THAT ARE ECO-FRIENDLY ARE IDENTIFIED BY:

CUSTOMER SUPPORT
If you have questions regarding your order or any of our products, our customer service department is here to help you. Our business hours are Mon.-Fri. 8:30 a.m. - 5:00 p.m. (Central Time).

If you are unable to reach customer service during business hours you may Email Us through our Contact Us form, visit our Document Library for support documents or leave a voice mail for our support staff, and we will return your message promptly.

NEW DEALERS / RESELLERS
To register and become a new dealer please call 800-267-5486 or Email Us. Applications for new dealers will be sent at the discretion of AmpliVox Sound Systems LLC. New Dealers initial order must total $1,500.00 USD with no minimum order thereafter. First order must be prepaid with valid credit card or with company check.

CAN I ORDER ONLINE?
All pricing on our website is Open Market Pricing.

Most of our models are available on contract, but we currently do not sell contract items directly on www.ampli.com.

We accept GSA SmartPay Credit Cards, Amex, Discover, Mastercard, Visa, Electronic Funds Transfers (EFT), and we are WAWF Enabled (Wide Area Workflow).

www.ampli.com | info@ampli.com | (800) 267-5486
ORDERING INFORMATION
AmpliVox Sound Systems accepts orders via email: orders@ampli.com • Invoice terms for credit accounts are NET 30 days • Orders are invoiced on the day of shipment • Cancellation or modification of orders must be submitted to AmpliVox Sound Systems in writing • In some cases a cancellation fee may be charged if raw materials, work in progress or special products are involved.

NOTE: A VARIETY OF OUR LECTERNS ARE CUSTOM BUILT ITEMS, MAKING THEM NON-CANCELABLE, NON-RETURNABLE & NON-EXCHANGEABLE.

WARRANTY INFORMATION
AmpliVox Sound Systems agrees (at its discretion) to repair or replace any brand product or component manufactured that is defective in materials or workmanship for as long as the original purchaser owns it • The warranty is applicable to the original purchaser only and is not transferable • Proof of purchase is required • AmpliVox Sound Systems is not required to and will not replace the entire product(s) • Our Limited Warranty is subject to limitations, exclusions and other provisions.

GENERAL WARRANTY INFORMATION
ELECTRONICS - S805A, SW805A and SW925-96 are backed by our 6-Year Limited Warranty on parts and labor • WOOD & LAMINATE LECTERNs: are backed by our 6-Year Limited Warranty covering against manufacturers defects • ALL OTHER PRODUCTS: Acrylics, accessories, contemporary lecterns, CD players, cassette players/recorders, megaphones, school products have varied warranties - please call for details.

EXCLUSION
Our warranty does not apply to: Normal wear and tear (nicks, dents, scratches, gouges and flaws resulting from), which is to be expected over the course of ownership • Defects or damage due to accident, alteration, abuse, misuse, dropping, natural disaster, neglect, or failure to provide reasonable and necessary maintenance • Modifications or attachments to the product that are not approved by AmpliVox Sound Systems • Product, and/or components that have been installed or repaired by parties other than AmpliVox Sound Systems • Products that were not installed, used or maintained in accordance with product instructions and warnings • Products used for rental purposes • Natural wood characteristics such as mineral streaks, knots, grain variations and normal differences between actual product and samples are not considered manufacturers defects • Oral or written statements made by AmpliVox Sound System dealers, distributors, agents, or sales representatives that are inconsistent with this Warranty are not certified by AmpliVox Sound Systems and have no force or effect.

RETURN POLICY
Written requests for an RA must be made within 30 days of receipt • Returns are subject to a minimum restocking fee of 25% for Lecterns & 15% for Public Address Systems & Accessories • All Returns require an authorization number • To request a return authorization visit our website www.ampli.com/returns/ or call Customer Service at 1-800- 267-5486 • Items returned without authorization will be refused.

SHIPPING INFORMATION
Packages (below 50 lbs.) and Palletized (LTL) Freight (over 50 lbs.) shipment orders ship Monday through Friday excluding holidays. Orders cannot be shipped to PO Boxes. In general, please add 1-2 business days to allow for order processing time. Palletized (LTL) Freight (over 50 lbs.) shipment orders: Please provide accurate & complete delivery information, including dock hours & temporarily closed details, & any special handling services, if this information is not provided to us when order is placed additional shipping charges will be incurred such as: Redelivery, reshipment, storage charges & any special handling services may be assessed • AmpliVox ships from warehouses located in Illinois & Michigan • WE ACCEPT AMEX, DISCOVER, MC & VISA.

AmpliVox Sound Systems reserves the right to discontinue and change product specifications. PRICES SUBJECT TO CHANGE WITHOUT NOTICE.

RETURN POLICY
Written requests for an RA must be made within 30 days of receipt. Returns are subject to a minimum restocking fee of 25% for Lecterns and 15% for Public Address Systems & Accessories. All Returns require an authorization number. To return a product, please call Customer Service at 1-800-267-5486 for our RA procedure. Please note that an RA# does not guarantee final disposition. All returns are subject to inspection. All exchanged/returned merchandise must be in original factory condition, including all packaging materials, inserts and manuals, warranty cards (not filled-out) and all accessories. Please do not tape or write anything on the item or the package. We will charge you for replacement of damaged, altered, missing, written-on or taped-on contents or cartons. We reserve the right to refuse any such returns. Pack the products into a shipping box with plenty of packing material, and tape securely. Write the RA# issued by Customer Service clearly on the outside of the shipping carton, not on the product package. Any merchandise returned to us unauthorized will be refused. Please ship your parcel back to us freight prepaid. We suggest that you use UPS Ground Service “Insured.” Sorry, we cannot accept COD or freight-collect shipments. No goods will be accepted for exchange or return without authorization.
SHIPPING RECOMMENDATIONS FOR RETURNS / REPAIRS
Should your unit need to be shipped back to AmpliVox for returns / repairs, proper packaging is essential so that your product reaches us without being damaged. Whenever possible utilize the original box and packing material when shipping your product, however, if you do not have the original packing materials or if the original packing materials are not reusable, click on the appropriate link to view carrier shipping recommendations from FedEx, UPS, and USPS so your product can reach us in a safe condition. We suggest that you insure your package.

If your returns/repair shipment to AmpliVox is received in damaged condition, AmpliVox will notify the purchaser. The purchaser will need to notify the carrier immediately to initiate a claims inspection. AmpliVox Customer Service will provide assistance, as necessary, to process the claim.

INTERNATIONAL SHIPPING
At AmpliVox we specialize in international distribution. For more complete information please contact us (800-267-5486 or email us) from 8am to 5pm (EST) Monday through Friday for assistance with your order.

Because of the complexity of International Shipping all International shipping rates are an estimate and AmpliVox Sound Systems reserves the right to modify shipping charges based on actual cost after the notification and approval of the charges by the customer. You may pay by wire transfer, credit card (US Only) and in some instances L/C. Here are some specifications for each method of payment.

**Wire Transfer**
Please contact us at 800-267-5486, 847-498-9000 or email (via ‘Ask a Question’ button above) for details to set up a wire transfer. Include name, order number, company and/or shipping address as reference.

**Credit Card:** American Express, Visa, MasterCard & Discover
Charge authorization form must be completed and faxed back. Must include copies of:
Two (2) of the following: valid passport, valid drivers license, or valid ID card. Front and back of credit card (back must have signature).
Be sure to include:
Billing address for credit card for verification. Bank phone number listed on back side of credit card for verification.
Shipping address. NO International Credit cards will be accepted.

**Certified Bank Check**
Check must be in U.S. dollars and drawn on a U.S. bank.
Check must clear before item ships.

**How will the items ship and how much will shipping cost?**
We can ship your package via FedEx, or we can ship to your choice of a freight forwarding service. FedEx will generally ship within 2-3 days. Depending on your location, FedEx will ship: Directly to your door, to a local FedEx office, or to a nearby airport for pickup.
Send us your FedEx account number and we can bill your account. Shipping costs vary greatly from country to country. FedEx provides a shipping calculator on their site for estimates. Our shipping costs are often lower than the estimates.

**Freight Forwarder**
Freight forwarders are independently operated. Contact them for specific information and quotes.

**How much will I pay in tax or duty fees?**
United States sales tax will not apply if you have your package shipped via FedEx or with a freight forwarder. Duty charges, import taxes, or value added tax (VAT) might be applicable in your country. Please call your customs office for details.

**What about insurance?**
All products are shipped FOB Shipping Point. That mean the buyer is responsible for shipping insurance and freight costs. AMPLIVOX cannot accept any liability for lost, stolen, or damaged shipments. If you would like to purchase freight insurance please notify your sales specialist at the time of purchasing.
“I cannot thank you enough for the early delivery we received. You said it would be here on the 23rd and it arrived ahead of schedule! The early arrival allowed me the opportunity to have our engineering department uncrate and me to secure transport to our event location on Monday, a day ahead of our event. Love the service! I’ve passed your information to other Kaiser Permanente Service area Public Affairs departments within Northern California. It’s good to share great products and service with others.”
