AmpliVox offers a wide variety of custom logo options on our Lecterns/Podiums

Why not reinforce your brand every time someone presents? Put your logo on a stylish AmpliVox lectern and your image will stand above the rest.

Strong branding is pivotal to an organization’s recognizability and overall success. With this in mind, AmpliVox is happy to offer custom logos in conjunction with our different lines of lecterns/podiums.

AmpliVox provides a variety of engraving and durable mounting options including vinyl, PVC, acrylic, bronze, brass and aluminum. You can also decide upon different finishes like gloss, semi-gloss and matte, as well as different background textures that will personalize your lectern and ensure it complements your event setting or venue.

As you can see in the examples here, a custom logo brings immediate originality to your lectern, and serves as a subtle, but lasting symbol of your brand that will stay with audiences long after your event.

Choose any of our lecterns and make it your own. Promote your company identity with a personalized lectern customized with your organization’s logo. Our sales staff and designers will work together to create a custom solution that best serves your needs with a beautiful custom product that showcases your organization and promotes your brand!
OPTIONS FOR YOUR COMPANY’S CUSTOMIZED LOGO INCLUDE:
