These versatile accessory packages include everything you need for a workout, aquatics activities, or other physical activity!

Specifically designed for the demanding needs of the fitness industry and active professionals, our Fitness Package and Waterproof Fitness Package are everything you need to Amplify your voice safely and easily, to train, teach, and speak to large groups or classes!

- Waterproof and sweatproof headset is made of adjustable, rubber-coated steel, submersible in up to 3’ of water
- Headset has bi-directional, noise cancelling microphone with detachable/replaceable cable for easy replacement if damaged
- Waterproof polypropylene case has an adjustable nylon waist band with a quick release buckle. This case provides protection in water down to 3 feet (1 meter). A “must have” accessory for water aerobics.
- Water resistant/sweatproof waistband pouch (1648T/1648) has a snug fitting neoprene waistband bodypack holder. When transmitter (included in 1648T) is fully inserted, Velcro closure holds transmitter firmly in place. 42” long
- Battery charger includes smart charger feature which will shut off when complete charge is reached. Includes 4 Nickel Metal Hydride (NiMH) Rechargeable batteries. Tri-color LEDs show charging status.
