AirVox

Wireless Battery Powered Portable Mobile PA Systems

The AmpliVox AirVox Mobile PA System is the ideal battery powered, all-in-one wireless compact portable PA solution with Bluetooth® connectivity. Perfect for voice and music in an indoor or outdoor environment.

The wide dispersion speaker produces big sound and well-balanced audio suitable for any situation.

During emergencies, the battery powered design sets up quickly and allows you to broadcast emergency information even during power outages.

- Our powerful 50W amp allows you to reach up to 3,000 people, up to half mile away
- Heavy-duty construction for use indoors or outdoors
- Crystal clear sound with exceptional speech intelligibility
- Produces consistent tonal balance with less volume drop-off over longer distances
- Built-in carry handle
- Built-in USB charger for charging smartphones and tablets
